I have submitted proof that such wildlife or domesticated animals have been secured from a source other than the  
wild stock of this state. I understand, also, that such wildlife or domesticated animals may be hunted (for a state  
fee of \$5.00 for ten days or that such hunters hold and possess a current Oklahoma resident or nonresident hunting  
license), subject to the Statutes of the State of Oklahoma with respect thereto, and under any and all regulations and  
provision promulgated by the Oklahoma Department of Wildlife Conservation. I further understand that game  
wardens of the Oklahoma Department of Wildlife Conservation shall be granted access to facilities and records for  
the purpose of checking for compliance with State laws and Commission regulations.
