Any resident of Oklahoma who reaches 64 years of age shall be eligible for the senior citizen lifetime license during the calendar year in which said person turns 65 years of age. Any resident of Oklahoma born before January 1, 1923 is exempt from purchasing a hunting and/or fishing license and receives the benefits of the senior citizen lifetime license.

SENIOR CITIZEN COMBINATION HUNTING/FISHING LICENSE, \$25.00

As the owner of a senior citizen combination license, you may hunt and fish in the State of Oklahoma for as long as you live, subject to the rules set forth for the separate hunting and fishing licenses described below.

SENIOR CITIZEN HUNTING LICENSE, \$15.00

As the owner of a senior citizen hunting license, you may hunt any legal game, as set forth in the Oklahoma Department of Wildlife Conservation hunting regulations, for as long as you live. Lifetime hunting license holders are exempt from purchasing an annual hunting license; Oklahoma waterfowl stamp; fur and trapping license; deer, elk, antelope, and turkey licenses; and controlled hunt permits. Check stations will issue any necessary tags when animals are checked in. Bobcats require a federal tag which may be obtained from Oklahoma game wardens, Department biologists, Department field offices, or specially designated stations at no charge. The lifetime hunting license does not exempt the holder from purchasing a **bear license, federal permits, federal fees** that may be required (such as a federal duck stamp or federal controlled hunt user fee).

SENIOR CITIZEN FISHING LICENSE, \$15.00

As the owner of a senior citizen fishing license, you may fish in the waters of this state, as set forth in the Oklahoma Department of Wildlife Conservation fishing regulations, for as long as you live. The senior citizen fishing license does not exempt you from having to obtain a **paddlefish permit** when fishing for paddlefish.

REQUIREMENTS TO QUALIFY:

Only persons who are residents of Oklahoma and have been so for at least **6 months** immediately prior to the date of purchase may obtain a senior citizen license. Documentation proving residency must be presented for approval.

A lifetime license holder, whether it be combination, hunting, or fishing, will not lose the benefits of the license by a change of address, even if he or she ceases to be an Oklahoma resident by moving out of the state. If you move, you should report your new address to our office.

APPROVAL: If ordered by mail, the applicant must contact a Game Warden or a store authorized to sell hunting and fishing licenses for approval of the application **before** submitting it to our office.

REPLACEMENT: If the lifetime license is lost or destroyed, a duplicate license will be issued for a fee of \$5.00. Contact the Oklahoma Department of Wildlife Conservation for a replacement application.

All senior citizen licenses are **non-transferable**, and must be obtained from the Oklahoma Department of Wildlife Conservation, P.O. Box 53465, Oklahoma City, OK 73152.
