Commercial Hunt Area License

Important to Remember:

- Commercial Hunt Area License is valid from July 1 to June 30 the following year.
- Big Game Commercial Hunt Area Tags (lock on type) are available from ODWC in lots of 5 @ \$10.00 per tag. Members of Cervidae family (whitetail deer, mule deer, and elk) must tag bucks and does separately with different tags. Cost for buck carcass tags is \$10.00 each, doe carcass tags are free. All exotic wildlife carcasses must be tagged with the \$10.00 tags.
- Unless otherwise exempt, hunters are required to have an Oklahoma Lifetime Hunting Or Combination Lifetime License, Annual Resident Hunting, Senior Citizens Lifetime Hunting, Senior Citizens Combination Lifetime License, Non-Resident 5 day license or annual Non-Resident Hunting License in order to hunt big game/exotics on commercial hunting areas.
- All other rules that pertain to commercial hunt areas still apply.

800:25-13-6. Facility requirements

The facility requirements on a Commercial Hunting Area for wildlife are as follows:

- (1) **Birds only.** The minimum requirement for fencing a bird area is a four strand barb wire fence.
- (2) **Wildlife other than birds hunted for sport.** The minimum requirements for wildlife is at least eight foot of welded or woven wire or cyclone fence and the top two feet of the eight foot fence can be barbed wire, and must be fenced in a way to prevent licensed wildlife from escaping and big game animals belonging to the state from entering and be capable of retaining animals within the specified area, or other similar or suitable approved fence.
- (3) **Type of signs.** The type of signs to be used on a Commercial Hunting Area must be metal signs, or other weather- proof material and these signs must be posted at all corners and entrances and along the boundary at 220 yard intervals.
- (4) **Size of signs.** The size of signs to be used on a Commercial Hunting Area should be 24" x 12" and the signs must be placed inside and outside on boundary lines.
- (5) **Wording of signs.** The signs on a Commercial Hunting Area must contain the wording, "Commercial Hunting Area Licensed by Oklahoma Department of Wildlife Conservation".
- (6) **Final Enclosure.** Prior to final enclosure of areas for the hunting of wildlife other than birds a drive must be made throughout the area in the presence of designated Department employees to make a reasonable effort to ensure that any wild whitetail or mule deer, elk, antelope, or other big game, are not present on the area. No wild whitetail or mule deer, elk, antelope, or other big game are to be reintroduced into the area after the final enclosure.
- (7) **Inspection.** The Commercial Hunting Area to be hunted must be inspected and approved by personnel of the Department and all records, and facilities, of such areas shall be available for inspection at all reasonable times by authorized representatives of the Department, and/or authorized representatives of the Department of Agriculture. The Department of Agriculture may request blood and/or meat samples be collected from all deer and elk killed and sent to their Department.

800:25-13-9. Tagging requirements

(a) All wildlife must be tagged with tags available from the Oklahoma Department of Wildlife Conservation before being transported from the commercial hunting area [29 O.S., Sections 5-101 through 5-103].

(b) Any elk, mule deer, whitetail deer, pronghorn antelope or turkey must be tagged or otherwise permanently marked with appropriate commercial tags prior to the release and harvest of such animals. However, this tagging requirement does not apply to any elk, mule deer, whitetail deer, pronghorn antelope or turkey harvested during the appropriate regular hunting seasons for such animals for that specific area of the state. After the third consecutive year of being licensed for such animals and inspection by a designated Department employee that wild elk, deer, or antelope are not gaining access to the Commercial Hunting Area the tagging of the licensed elk, deer, or antelope before harvest will not be mandatory.

(c) Licensee must sign a written invoice which shall accompany such wildlife to final destination. These invoices shall be evidence of rightful possession and ownership for a period of twenty days from the date of said invoice. A copy of such invoices must be permanently kept for at least one year from date of expiration of license by the commercial propagator and must also include whether the birds were shipped alive or dead. Such invoice should contain the following:

(1) The propagator's permit number.

(2) The kind and number of each species killed, sold, given away, transported or shipped.

(3) The name and address of the recipient.

(4) The date received from licensee.

(d) Exemptions: Any area that has been enclosed by a fence deemed suitable for containing big game animals for a minimum of 10 years prior to applying for this license shall be exempt from the requirements of paragraph (b) above.

800:25-13-10. Records requirements

(a) Each licensee shall maintain daily records of all captive bird releases and a register of hunters signed by the hunters including the number of birds taken by the hunter for each species taken. In addition, the licensee must maintain for inspection, proof of purchase invoices for all birds to be released, or that have been released, giving the name and commercial wildlife breeder license number of the breeder where purchased.

(b) An annual report including the numbers of birds held at the beginning of the year, record of birds obtained from breeders, and record of bird releases and kills shall be submitted to the Department of Department furnished report forms as part of the annual renewal application. The commercial hunt area must submit the annual reports from the previous year by July 31. [Source: Added at 22 Ok Reg 1632, eff 7-1-05]

800:25-13-11. Trapping and release of birds requirements

If the licensee uses any type of trap to recapture birds that have been released for hunting, the licensee must tag or band all birds that are initially released prior to trapping with metal tags available from the Department. If traps are used to recapture birds the traps must be checked at least once every 24 hours and any untagged birds within the traps at that time must be immediately released back into the wild. If the licensee does not trap birds then the tagging of the birds before release is not required.
