## Scope of Work

# Services - Vegetation/Brush Mulching

On various locations on the Fort Gibson Wildlife Management Area (WMA) Located in Wagoner County, Oklahoma

### 1. General Requirements

The proposed contract is for 160 acres of vegetation and brush removal from underbrush of mature woodlands, and overgrown areas on the WMA. The equipment to be used must meet the following minimum specifications: Forestry Mulching equipment, minimum of 100 HP, rubber tracks or tires, forestry mulching head, and must include an operator.

Work will consist of woody vegetation (Chinese Privet, Cedar, Hackberry, Elm, and Ash) removal to reclaim thick understories and wildlife openings. Mastication of trees 10" dbh or less will be done within the boundary of designated areas leaving 4-5 trees per acre. All oak and pecan will be left regardless of size, and all cedars will be mulched regardless of size. All trees and brush removed will be taken down to ground level with no stabs/stumps. Mulch must be no larger in diameter and length than one's arm. Equipment must be low ground pressure, rubber tracked or rubber-tired equipment capable of mulching the woody vegetation.

The exact areas for masticating will be determined by ODWC area personnel based on weather and terrain conditions. This project will reclaim approximately 160 acres of fields, understory, and openings.

Fort Gibson WMA is located near Wagoner, OK. Additional directions will be given to the awarded bidder upon contract award.

Vendor is to provide all labor and equipment needed to complete the work as required. Project must be completed between December 15, 2025, and March 1, 2026, to avoid wildlife species of interests' concerns. All work will be done as directed by the ODWC Area Biologist or ODWC Area Wildlife Technician.

Please note that this will be awarded as a Non-Binding Contract. The number of acres is an estimate only and taken from map boundaries in Google Earth. As such, the contract will be awarded based on the bid per acre for the total acres allotted.

Contract will be awarded to one vendor only. If the vendor is awarded multiple ODWC projects, they must be capable of completing each project simultaneously.

Insurance: The successful bidder will be required to provide certificates of insurance for general liability, vehicles and work compensation along with the bonds listed in the project manual general conditions immediately upon notification that they are the successful bidder. A contract will not be issued without the required proof of insurance.

<u>Basis of Contract</u>: The determination of the Lowest Responsible Bidder will be made based on the lowest extended price (<u>number of acres X price per acre</u>).

The Owner reserves the right to make any inquiries to ensure that the lowest bidder is actually able to complete the work in a satisfactory manner.

The contract will be issued by the Office of Management and Enterprise Services, Construction and Properties Division (OMES/CAP). The contractor shall not begin work until the contract is in place and written notice to proceed has been issued by OMES/CAP.

Terms and Conditions: As stated in the contract.

Change Order: This will be a Non-Binding Contract.

Invoicing and Project Communication: All work-execution related communications must go through the Agency Representative. Project invoices, including the Attached Form G109, Affidavit for Payment, shall be sent to the Agency Representative at the following address and attention:

Fort Gibson WMA
