Question: There are BABA forms for the contractor to fill out in the bid documents, but the solicitation states that ODWC will be supplying all materials except Paint, Concrete, and hardware for attaching posts and treated posts. See screenshot from solicitation on page 6. Is there any material other than paint, concrete, hardware and treated posts the contractor will need to provide?

Answer: Suppliers will have to buy the hardware (posts, nuts, bolts, washers, etc.)

Question: Are there areas where the corrugated pipe runs underneath a road? If so, which locations does this take place, and what is the existing road material made of?

Answer: The two further south locations are gravel roads, all the other roads are dirt roads.

Question: Can you supply the planholders list?

Answer: We don't provide that information, because there was no pre-bid meeting.

Question: The solicitation states "There is NO bid bond for this project". If our bid is over \$100,000 will we be required to turn in a bid bond?

Answer: There is no bid bond for this project, because we don't provide budget information to the Suppliers.
