Question: In reading the scope, it says that we must include the abutment in the bid. Unfortunately, that is outside of our scope of work, but I want to ask if you had a preferred vendor we could contact. If not, we will not be able to bid on this project.

Answer: Original Verbiage in Section I Design, Point 4:  
"Bids must include design drawings of the floating dock system, anchorage, and dock abutment along with materials lists for the floating dock system and anchorage"

Revised Verbiage:  
"Bids must include design drawings of the floating dock system, anchorage, materials list for all components, and a schematic design for the dock abutment"

Additional Point in the Miscellaneous Information section:
