MAINT:CAP- Below Statutory Amt, Simple Award, Maintenance Contract							

The Oklahoma Department of Wildlife Conservation (ODWC) is seeking proposals (RFP) for the repair of a low water bridge that has recently been washed out on the Cherokee Wildlife Management Area (WMA) located near Tahlequah, Oklahoma.

General Project Overview: Work to repair the bridge will involve multiple components which will include the following:

Remove a 35' (feet) X 21' (feet) concrete slab, dig and install two (2) 24" (inch) X 27' (feet) steel pipes (provided by ODWC). The pipe will have the following dimensions: 3/8" (inch) wall, 24" (inch) diameter and 27' (feet) long.
Must make a bed from the material on site to seat the pipe in and then use a wacker-packer to compact the material around the pipe every 6" (inches) of lift to the top of the pipe.
Poured concrete dimensions will be approximately 35' (feet) X 21' (feet) X 8" (inches) using 3,500 PSI (pounds per square inch) concrete with 2" (inch) rebar on 2' (foot) centers, with broom finish. 2" (three quarter inch) rebar will need to be drilled 12" (inches) deep in existing concrete and secured with concrete bonding epoxy and stick out from existing concrete 12" (inches). The upstream or inlet side of the pipe must have rocks/riprap placed around the pipe and concrete poured on the rocks/riprap to hold in place. Additionally, the material must be dug from upside of crossing, approximately 4' (feet) X 10' (feet) X 90" (feet) and place spoil in an area as directed by area Biologist on site. Additionally, an 8" (inch) thick stem wall must be installed on the downstream side 35' (feet) wide to match the new poured slab, and from the top of the new slab to approximately 2' (feet) below ground or to bed rock 2" whichever is shortest 2" using an 18" (inch) footing. Must drill and install into bed rock 2" (inch) rebar on 2' (feet) centers in the footing using concrete bonding epoxy and 2" (inch) rebar on 2' (feet) centers on the stem wall.
Finally, approximately 90 feet from the downside of the crossing, rocks/riprap must be pushed upstream to the backside of the concrete crossing. The rocks/riprap must remain at the bottom of the pipe and any excess should be placed at the top of the crossing.

Additional Details: This is a request for proposal (RFP) solicitation and all of the equipment, machinery, supplies and materials needed to complete the scope of work must be supplied by winning vendor unless otherwise specifically stated otherwise. All costs associated with completing the project must be included upfront in the submitted price.

The location of the job site will be on the Cherokee Wildlife Management Area (WMA), near the city of Tahlequah, Oklahoma. All work will be done as directed by the ODWC area biologist. Additional directions will be given to the winning vendor as needed.

CAP Project No: **19102**
Project Name: **Low Water Bridge Repair**
Project Location: **27932 S. Burnt Cabin Rd Tahlequah, OK 74464**

The Owner and Contractor agree as follows:

ARTICLE 1. THE CONTRACT DOCUMENTS

1.1 The Contract Documents consist of this Agreement and the Solicitation, as referenced, inclusive of any stated Conditions, Requirements, Provisions, Scope of Work, Plans, Specifications, Addenda and the Contractor's Bid Form as may be contained therein, included as an attachment. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral.

ARTICLE 2. THE WORK OF THIS CONTRACT

2.1 The Contractor shall fully execute the Work described in the Contract Documents, except to the extent specifically indicated in the Contract Documents to be the responsibility of others.

ARTICLE 3. CONTRACT SUM AND PAYMENTS

3.1 The date of commencement of the Work shall be the date of the Work Order issued by the Owner and affixed to the State's separate Purchase Order issued to encumber the cost of the Work. The Contract Time shall be measured from the date of Work Order.

3.2 The Contractor shall achieve Final Completion of the entire Work not later than **14** days from the date of commencement, or as follows: **N/A**, subject to adjustments of this Contract Time as provided in the Contract Documents.

3.3 If provided for in the Solicitation, in regard to as-needed maintenance or trade services, the Contract Time may be extended for additional annual renewal periods by amendment to the Agreement.

ARTICLE 4. CONTRACT SUM AND PAYMENTS

(The clause selected with an "X" shall be the valid 4.1 contractual clause)

☒ **4.1** This Contract is for a firm fixed price in the amount of **Twenty-nine Thousand Four Hundred Eighty-five** Dollars (\$**29,485.00**). Projects with duration of one month or less shall be invoiced upon final completion. Projects with a duration exceeding one month may be incrementally invoiced on a monthly basis. Final payment will not be made until Owner's Representative has verified that all work has been completed. No payment will be made to the Contractor after the Final Completion Date until all work is complete.

☐ **4.1** This Contract is non-binding. The Owner may or may not purchase the quantities stated in the Solicitation. Work authorized under this agreement shall be invoiced at the rates stated on the Contractor's Bid Form. Invoices will be accepted for payment monthly for the Work completed in the previous month.

ARTICLE 5. OTHER TERMS AND CONDITIONS

5.1 OWNER'S REPRESENTATIVE: For the purposes of this Contract, the Administrator of DCAM/CAP or a designated person shall serve as the Owner's Representative, and serve as the Supervisory Official for the purposes of accepting the work and approving Invoices for Payment. No work will be accepted, nor any payments made without approval by the Owner or the Owner's Representative.

5.2 CONTRACT CHANGES: Contract Changes shall be provided only upon prior written authorization by the Owner, and are subject to the statutory limits set forth in 61 O.S. § 121. Upon request by the Owner's Representative, Contractor shall prepare an itemized cost proposal for the requested contract change and submit to Owner's Representative for review and approval. If accepted by Owner, a Change Order will be processed and returned to Contractor, authorizing the change in the work and providing a notice to proceed.

5.3 AUDITS AND RECORDS CLAUSE: As used in this clause, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form. In accepting any contract with the State, the Contractor agrees any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution of the resultant contract. The contractor is required to retain all records relative to this contract for the duration of the contract term and for a period of three years following completion and/or termination of the contract. If an audit, litigation, or other action involving such records are started before the end of the three year period, the records are required to be maintained for three years from the date that all issues arising out of the action are resolved or until the end of the three year retention period, whichever is later

5.4 OWNERSHIP OF DOCUMENTS: All documentation generated as an instrument of service is and shall remain the property of the Owner, including shop drawings, equipment manuals, equipment warranties and as-built drawings. Contractor shall deliver said documents to Owner's Representative or as otherwise stated in the Solicitation upon final completion of the work.

5.5 SUCCESSORS AND ASSIGNS: The Owner and the Contractor each binds themselves, partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. The Contractor shall not assign, sublet or otherwise transfer its interest in this Agreement without the written consent of the Owner.

5.6 DISPUTES AND CLAIMS: The Owner and Contractor shall endeavor to resolve claims, disputes and other matters in question between them by participating in good faith in a settlement meeting to obtain a mutual agreement that resolves the claim or dispute. If an agreement cannot be attained, the Contractor may appeal to the Administrator of the Division of Capital Assets Management, by submitting written notice of a protest to the Administrator within twenty-one (21) days of the previous settlement meeting. The Administrator may hear the protest or may assign the Contractor's appeal to an administrative law judge the Division retains. If the appeal is assigned to an administrative law judge, the administrative law judge shall review the protest for legal authority and jurisdiction. If legal authority and jurisdictional requirements are met, the administrative law judge shall conduct an administrative hearing in accordance with the Administrative Procedures Act, 75 O.S. § 309 et seq., and provide findings of fact and conclusions of law to the Administrator. The Administrator shall send written notice to the Contractor of the final decision sustaining or denying the Contractor's appeal. If the Administrator denies Contractor's appeal, the Contractor may appeal pursuant to provisions of 75 O.S., § 309 et seq. of the Administrative Procedures Act.

5.7 TERMINATION

5.7.1 This Agreement may be terminated by the Owner upon mailing notice of termination to the Contractor at least seven (7) working days in advance of the date of termination if the Contractor substantially fails to perform according to the terms and conditions of this Agreement in the opinion of the Owner or funds for the Project are insufficient to proceed with the Project. In the event of termination, the Contractor shall be paid compensation for services performed up until the date of termination subject to amounts withheld to satisfy any rightful claim or set off by the Owner.

5.7.2 This Agreement may be terminated by either party upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

5.7.3 This Agreement may be terminated by the Owner upon not less than seven days' written notice to the Contractor for the Owner's convenience and without cause.

5.8 INSURANCE: Insurance meeting the minimum limits of coverage listed below shall be maintained in full force by Contractor for the duration of the Contract. Certificates of Insurance shall be furnished naming the Owner as the Certificate Holder prior to acceptance of the Contract or issuance of a Work Order. The following are minimum limits of insurance coverage. If higher limits or additional insurance provisions are stated in the Bid Solicitation, the requirements of the Solicitation shall be the minimum required
