36	Friendly staff very knowledgeable. A lot of nice deer to look at.	3/6/2020 9:41 AM
37	Kinda drilled down on the fact that scoring is more about symmetry instead of what the animal actually grew. Not necessarily a bad thing because I was very pleased with both whitetails I harvested but since attending Rack Madness I look at trail camera pictures a lot differently and take better guesses at which animal is most symmetrical. I also enjoyed the people watching aspect of it while waiting. It's neat to see the older and younger hunters attending and bringing their racks to be measured.	3/6/2020 9:41 AM
38	The monster racks!!!!	3/6/2020 9:39 AM

48	Lots of friendly employees. You all act like one of us. It was that way from the checkin table to the score table. With all the people it would have been easy to treat us like cattle running through a chute (just get done and get them out of here) but no one did that. I think it would be cool to have a similar day devoted to our youth. It would promote the sport of hunting in our state. Might do it in the summer and promote hunting and fishing? 1	computerized data entry was a bit of drag at first just a glitch i guess	3/12/2020 2:46 PM
2	Did not have any dislikes.	3/12/2020 9:12 AM
3	The wait times were pretty long. Pre-registration more or less was meaningless as I could show up and could have gotten the same place in line. An ability to reserve a time slot would have been nice. Wait times for those that actually register could have been cut down.	3/12/2020 7:35 AM
4	Na	3/11/2020 10:12 PM
5	Nothing It was great do it again.	3/11/2020 11:03 AM
6	Not related to the event but would recommend the reprint of the poster on the aging of a whitetail buck that I was told you developed and printed approx. 6 years ago but is no longer available. I believe most if not all deer hunters (especially young hunters) would find this very informative. Thanks to all involved with the event. J.W. Speaks, Jr.	3/11/2020 10:34 AM
7	Nothing	3/11/2020 10:11 AM
8	3-4 hours for a rack to be judged? I live in OKC so not as big as deal. But imagine if you drove in from other portions of the state. Be a huge waste of time.	3/11/2020 9:04 AM
9	Entrance signs were confusing. Also finding the elk chili had to ask where it was	3/11/2020 9:02 AM
10	Not as many additional activities or "things" to do after getting scored.	3/11/2020 7:22 AM
11	Nothing	3/11/2020 7:14 AM
12	The wait and other activities weren't well promoted. I heard there were other things going on but couldn't tell.	3/10/2020 1:17 AM
13	Nothing	3/9/2020 5:57 PM
14	I would like to have more opportunity to learn at the event, in areas such as woodmanship, land management, and the state of the wildlife and our impact on it. As well as how the hunter can help.	3/9/2020 12:23 PM
15	I wish there were a few more activities for the kids. We were in and out in a little over an hour which is good, but I scheduled the whole afternoon to be with the family up there. I know you are limited on space so I am not sure what other activities you could bring in. Maybe you could partner with Bass Pro that day to use their parking lot for more fun kid activities. We ended up there walking around for a couple hours waiting for the 6pm drawing. Overall great event and we really appreciate you all taking the time to do it!!!	3/9/2020 10:21 AM
16	just the waiting, maybe set times for people when they register so they can show up near that time	3/9/2020 6:18 AM

21	It started too early, and chili was served and gone before I even got off work. I think it would be better if it could have been done on a weekend instead of a weekday.	3/6/2020 6:34 PM
22	Had to wait too long to get deer scored, not enough seating.	3/6/2020 5:21 PM
23	Not much going on to keep you there, score and leave.	3/6/2020 2:29 PM
24	Nothing	3/6/2020 2:21 PM
25	Like I said above most of the staff was friendly. However, JD Strong was not very friendly to us. I took offense to his arrogance and watched him ignore a lot of other patrons. He talked to his staff, but seemed to try to dismiss anybody else that he came in contact with or that had questions.	3/6/2020 12:31 PM

30	Not enough room, and needs to be atleast one more lifetime license drawing with how many ppl attend.	3/6/2020 10:26 AM
31	I feel it took to long to get to the table for measuring. I got there at or near 10:00 am and didn't get called until near noon. I understand that it's a first come first served. It just seemed to long for me.	3/6/2020 9:47 AM
32	Nothing to do or look at while you waited. Yes plenty of other hunters to talk to but would have liked some informational classes or pamphlets. Something to do besides sit for 3 hours waiting on deer to get scored. Maybe information on how to take care of you deer or taxidermy info.	3/6/2020 9:41 AM
33	Wait time was quite a bit longer this year but I really think the setup was way more organized than last year so I'm guessing the event really must've drawn in a much bigger crowd.	3/6/2020 9:41 AM
34	Not enough seating.	3/6/2020 9:39 AM
35	Long wait time with nothing else to do.	3/6/2020 9:34 AM
36	I think the event could be even bigger and more younger people could experience it if it were offered in a two-day event...maybe a Friday and a Saturday. We live in Stillwater, and my kiddo really wanted to attend, but, unfortunately, was restricted by his school schedule. I think hunter education and these types of experiences should be more centered around not only current hunters, but also future hunters and conservationists as well.	3/6/2020 9:21 AM
37	They threw out 2/3 of the drawing tickets at 1pm. It give the people that checked in after 1pm a better chance of winning	3/6/2020 9:17 AM
38	not much else there besides the rack scoring	3/6/2020 9:15 AM
39	Lack of parking and large crowds everywhere..	3/6/2020 9:05 AM
40	Did not really dislike anything other than the wait time was a little long.	3/6/2020 9:04 AM
41	No parking.	3/5/2020 4:23 PM
42	Space a little crowded. Could have used some quest speakers or seminars to fill in time gaps waiting. Possibly having on a weekend	3/5/2020 1:28 AM
43	I wouldn't say this is a strong dislike because I came at a time when there were a lot of people. But it seems to me like you almost don't have room for it there. Could've used a bigger waiting area. If a guy just had a set of horns it was ok but if you had a head or two it was difficult to find a spot for you and the deer. Also if you came as a group of more than 2 it was hard to find a spot to sit together while waiting.	3/4/2020 11:10 PM
44	not enough hands on stuff for kids	3/4/2020 11:36 AM
45	Parking	3/4/2020 5:16 AM
46	All good	3/3/2020 9:08 PM
47	Nothing	3/3/2020 8:29 PM
48	Nothing to dislike but I would suggest your more experienced scorers should be the ones scoring the the racks that are truly worthy of making Cy Curtis or B&C or P&Y.	3/3/2020 8:23 PM
49	It was free and I got to see a bunch of other big deer.	3/3/2020 5:08 PM
50	N/A	3/3/2020 4:28 PM
51	I came around 2:00, I had zero wait and staff was very helpful and attentive, I was even walked upstairs by a staff member to my scoring table, no complaints whatsoever	3/3/2020 3:38 PM
52	I wish there were appointments for getting your scores that you could schedule at pre-registration instead of showing up and waiting for hours.	3/3/2020 3:20 PM

63	I did not like that it was on a Tuesday	3/3/2020 8:35 AM
64	Parking is challenging...of course. Not sure if there is a solution.	3/3/2020 8:30 AM
65	Tough to take off work on a weekday to attend the event.	3/3/2020 8:26 AM
66	I can not think of anything I did not like.	3/3/2020 7:54 AM
67	My wait was about 2 1/2 hours after checking in. I arrived about 9:30 and left about 12:30. In fairness, the scorers were thorough and took their time to be sure the score was correct as I'm sure they did with all others ahead of me. Overall, a very good job by the department!	3/3/2020 7:52 AM
68	It was during the week and I had to take a day off from work. A weekend would be better for me.	3/3/2020 7:42 AM

79	I would have liked to have spent more time there, but was unable to because it was on a weekday. I think it would be much better on a weekend where I don't have to get there so late after my son gets out of school.	3/2/2020 9:29 PM
80	Not enough parking	3/2/2020 9:25 PM
81	Waited 3 hours to get scored. Why register online if it's first come first serve.	3/2/2020 9:16 PM
82	I would really like to see the lifetime licenses be given to someone who doesn't already have one. I think if they draw your name and you already have a lifetime license they should re draw for someone who does not already have one. And possibly have a secondary prize in the event that there needs to be a re draw. I know I am not the only one who attended that also was disappointed to see someone win that already has one.	3/2/2020 8:53 PM
83	I hope it isn't an advertisement for extending our seasons further and bringing in more non residents. We don't need to turn into Kansas, Iowa, or Texas...	3/2/2020 8:51 PM

84	I would love to see booths for surrounding Outfitters	3/2/2020 8:36 PM
85	Didn't see anything to dislike	3/2/2020 8:24 PM
86	It would always be nice for there to be more to do or look at. Maybe some vendors with things to look at, ask questions about, purchase. I think it would be nice too have a schedule of people giving talks about certain topics. ie, different hunting strategies specific to OK and on different species, something about lesser known hunts/species in OK, some advice on using WMAs effectively, etc. I would have liked to meet the Game Warden in the county I hunt in. As I type this I realize that it sounds like smaller Oklahoma specific hunting expo.	3/2/2020 8:14 PM

96	The only thing was that the lady informed me that my Cy Curtis score would be posted online & I would get a email the next day. I still haven't revived anything & my score has not yet posted online.	3/2/2020 5:58 PM
97	Maybe more vendors would be nice	3/2/2020 5:43 PM

100	the waiting for the drawing.	3/2/2020 5:28 PM
101	Nothing it was amazing	3/2/2020 5:27 PM
102	Would have liked maybe more activities and more seminars/topics. maybe a list ahead of time about when the different seminars would happen. Drawings were listed as being "Throughout the day", but then after the one oclock grand prize drawing, "the hopper was emptied" we got there at basically 11:45 - 12:00 so didn't participate in many of the drawings. I understand, but we might have planned the day different had we known. We drove in from almost 3 hours away. Also might have liked atypical in addition to typical scoring. Don't want to seem overly negative though. all in all, it was an ok event, and my daughter and I may try to go again. even though it means taking off work and school to do it.	3/2/2020 5:26 PM
103	nothing.IT WAS AWESOME	3/2/2020 5:20 PM
104	I don't understand the purpose of registering for the event if we want to get scored I know it gives your side an estimate of people who will come. It would be nice if we had a set block of time to come. Even if you took X amount in am and X amount in pm. That would help on the parking issues. Also that would allow us to know how long we need to be away from work, etc. other than that, outstanding event and thank you.	3/2/2020 5:15 PM
105	My buck was 7" short of making cy Curtis.😞 Nothing! Was great!	3/2/2020 5:07 PM

Rack Madness Event Feedback

it's close to the end of the Rack Madness day. It would be ideal to have it on a Saturday instead of during the week. We still love it and will come to OKC either way though!

110	Had to park elsewhere. Was very crowded when we arrived, which was just a factor of a high turnout early in the day. Arrived about 10am. You might want to list "slow times" next year if there were any, as a recommendation. Thanks!	3/2/2020 4:52 PM
111	There wasn't anything I didn't like.	3/2/2020 4:50 PM
112	Maybe do it on a weekend.	3/2/2020 4:47 PM
113	It was my first time and I was expecting more to do other than just scoring.	3/2/2020 4:44 PM
114	Parking. I was there pretty early and the lack of parking was Discouraging	3/2/2020 4:41 PM
115	That you had to be there to hear the drawing for lifetime license...most people have to be at work or have things going on that they can't stay all day long	3/2/2020 4:40 PM
116	Loved everything but if I have to put something I disliked,it would be that the parking lot should be larger because the event was a huge hit. So many people!	3/2/2020 4:40 PM
117	Not enough involved discussion on reason for scoring a certain way.	3/2/2020 4:38 PM
