RESIDENT DISABLED VETERAN LIFETIME COMBINATION HUNTING/FISHING LICENSE

0% TO 59% DISABILITY - \$200.00 60% TO 100% DISABILITY - \$25.00

As the owner of a lifetime combination license, you may hunt and fish in the State of Oklahoma for as long as you live, subject to the rules set forth in the Oklahoma Department of Wildlife Conservation hunting regulations and fishing regulations (summarized below).

HUNTING

Lifetime hunting license holders are exempt from purchasing an annual hunting license; Oklahoma waterfowl stamp; Wildlife Conservation Passport; deer, elk, antelope, and turkey licenses; and controlled hunt permits. The Online Check Station will provide you with a confirmation number for carcass tags when animals are checked in. Bobcats require a federal tag which may be obtained from Oklahoma game wardens, Department biologists, Department field offices, or specially designated stations at no charge. The lifetime hunting license **does not** exempt the holder from purchasing a **bear license**, **H.I.P. permit (ages 16 to 64)**, **federal permits**, **federal fees** that may be required (such as a federal duck stamp or federal controlled hunt user fee), or a **land access** permit for designated areas. If the license holder hunts migratory birds, he/she must fill out a yearly migratory bird survey (HIP permit). The HIP permit may be obtained free of charge at www.wildlifedepartment.com or it can be purchased at a license dealer for \$3.00.

FISHING

Lifetime fishing license holders are exempt from purchasing an annual fishing license. The lifetime fishing license **does not** exempt you from having to purchase a Lake Texoma license if you fish on the Texas side of Lake Texoma (unless age 65 or over), a land access permit for designated areas, or a **paddlefish permit**.

REQUIREMENTS TO QUALIFY

Only persons who are disabled as certified by the U.S. Department of Veterans Affairs and who have resided in Oklahoma at least six months and intend to remain permanent residents of Oklahoma immediately prior to the date of purchase may obtain a disabled veterans lifetime combination license. Documentation verifying disability and proving residency must be presented for approval—please see application for details.

A lifetime license holder, whether it be combination, hunting, or fishing, will not lose the benefits of the license by a change of address, even if he or she ceases to be an Oklahoma resident by moving out of the state. If you move, you should report your new address to our office.
