UXO

Protect yourself, your family, your friends and your neighbors by immediately reporting Unexploded Ordnance

RECOGNIZE: Recognize when you may have encountered a UXO

What is Unexploded Ordnance (UXO)?

UXO is any military ammunition or explosive, which has failed to explode as intended. It includes mortar bombs, mines, artillery shells, hand grenades, bombs, rockets, missiles and many other types of ammunition and explosives. Souvenir, discarded and dumped ammunition is also included as UXO.

On Camp Gruber, UXO contamination has been created mainly as a result of military training activities.
